-----------------------------------	--	--	--	---

MISSION	Inspired by the Gospel message called by the Social teaching of the Catholic Church, and guided by the direction of the Bishop of Cleveland, Catholic Charities Health and Human Services continues the mission of Jesus by providing vision and leadership for those who respond to the health and human needs and the social concerns of the people of the Diocese of Cleveland. We extend the reign of God in this time and place as we work with others to build a just and compassionate society that respects the dignity of every person.
----------------	--

SERVICES	Catholic Charities helps people with disabilities to live life to their fullest potential. Children and adults have the opportunity to grow in a spiritual and learning environment as well as a social one at summer camps and other recreational activities. Life skills training and in-home personal care helps them live independently in the community.

MISSION	The mission of The Free Medical Clinic of Greater Cleveland ("The Free Clinic") is to provide quality health care and related services free of charge to those who lack appropriate alternatives, and advocate for policy changes that make health care available to all.
SERVICES	Services provided include general and acute medical care, gynecological and family planning, STD diagnosis and treatment, diabetes treatment and hypertension treatment. These services are offered on a mixed appointment and walk-in schedule. HIV/AIDS Services encompass both treatment and prevention. The HIV Testing program (the first site in Cleveland to offer such services) includes prevention, education and treatment referrals in addition to testing. The Mental Health program provides outpatient counseling/therapeutic services to patients from a wide spectrum of our society. The Substance Abuse Treatment program provides intensive outpatient services, individual and group counseling and crisis intervention to clients in need. This program provides patients a safe and caring environment to cope with and recover from their addictions.
